

House File 298 - Introduced

HOUSE FILE 298

BY DIEKEN

A BILL FOR

1 An Act relating to a study of the negative effects of
2 environmental contaminants on human fertility and the human
3 endocrine system.

4 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:

1 Section 1. ENVIRONMENTAL CONTAMINANTS — HUMAN FERTILITY
2 AND HUMAN ENDOCRINE SYSTEM — STUDY — REPORT. The department
3 of health and human services shall compile and analyze
4 information, data, scientific research, and other sources on
5 the negative effects of environmental contaminants on human
6 fertility and the human endocrine system, with an emphasis
7 on intrauterine exposure, and shall submit a report to
8 the governor and the general assembly by February 1, 2024,
9 specifying the department's findings and recommendations for
10 broad-based policy strategies to prevent and reduce these
11 negative effects through actions and interventions at the
12 patient, health care provider, health care institution, and
13 societal levels.

14 EXPLANATION

15 The inclusion of this explanation does not constitute agreement with
16 the explanation's substance by the members of the general assembly.

17 This bill requires the department of health and human
18 services to compile and analyze studies, data, scientific
19 research, and other sources on the negative effects of
20 environmental contaminants on human fertility and the human
21 endocrine system, with an emphasis on intrauterine exposure,
22 and to submit a report to the governor and the general assembly
23 specifying the department's findings and recommendations for
24 broad-based policy strategies to prevent and reduce these
25 negative effects through actions and interventions at the
26 patient, health care provider, health care institution, and
27 societal levels.
